

paper for the future

**Koehler**  
PAPER GROUP

January 13, 2021

Dear Customer,

Please be aware that due to the rising costs associated with the production and distribution of thermal paper we are announcing a price increase effective with all orders shipping March 1, 2021. A price increase of 8% will be applied to all grades and weights of Koehler thermal paper. I will contact you this week to discuss the announcement. We appreciate your support and understanding.

Sincerely,

Stephen Graves
