POS Supply Solutions is your complete source for roll paper supplies. We excel at servicing your specialty / custom paper roll applications. POS Supply Solutions access to an unparalleled array of paper grades, converting capabilities, and printing options makes us the best choice for specialty / custom paper roll applications. We can provide you with custom printed rolls, custom size rolls, colored rolls, various paper grades and loss prevention rolls. If you're not sure what combination of paper and printing is best for you, we'll work with you to customize a solution to fit your needs.

BASIC

Add your one color logo on the back of your receipts for more impact at the point of sale.

Select a paper grade that will hold printed information longer for more accurate documentation at tax time.

PROMOTIONAL

Customize your receipts to support seasonal promotions and advertise specials.

Print your consumer messages in full color and watch your sales soar.

SECURITY

Protect yourself and your profits from counterfeit receipts with our security rolls.

We can also customize the size of your roll. We have the capabilities to adjust the width and length of the roll to your specific requirements.
